

REMARKS

Applicants wish to thank Examiner Safaipour for the courtesies extended in the telephone interview with Applicants undersigned counsel. Applicants appreciatively note the Examiner's indication that a 312 Amendment be submitted on or before the payment of the issue fee correcting the erroneous equations throughout the specification, claims and abstract.

Applicants hereby submit a substitute specification, abstract and claims which have each been corrected to obviate the inadvertent font glitches to the equations. The present application is now such as to correctly represent the equations throughout. Entry is respectfully requested.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 07-1337 and please credit any excess fees to such deposit account.

Respectfully submitted,
